Renovation Update: This past week, painting was completed, and new flooring was ordered for all renovated areas, with delivery expected early next week and installation soon after. Electricians were on-site to install lights in the new kitchenette, and shelving has been ordered for the basement, where we will now be able to store everything that previously had been in the loft. The kitchen cupboards arrived on Thursday, and work in both washrooms is well underway, including new flooring, fresh paint, and updated vanities. The contractors are working hard to have the majority of the work completed within the next week or so—fingers crossed!

Office Closed: Please note that the office will be closed on Wednesday, November 20, as Angela will be attending information workshops at the chancery office. Thank you for your understanding.

Offertory Envelopes for 2025: Offertory envelopes for the 2025 year are currently being prepared. If you are not already using offertory envelopes and would like a box for your family, please email office@olmcf.com, and one will be prepared for you. Due to limited space from the ongoing renovations, envelopes will be available starting the first week of December.

Additionally, if you have any updates to your contact information, such as a new phone number, email address, or home address, please notify the office so we can keep our records up-to-date. Thank you!

Annex Lighting Donation

Fr. Arpee mentioned last weekend that the annex lighting will be an additional cost beyond the current renovations. If you would like to contribute towards this expense, please place your donation in a separate envelope, include your name, and label it “Annex Lighting” to ensure proper credit for income tax purposes. Thank you for your generosity and support!

Please Note: We cannot accept e-transfers.

Sunday Missals Available: Sunday Missals are now available at the back of the church for \$5 each. Please place payment in the container provided or in collection basket. Thank you!

“Sounds weird, Mom.”
 Feeling tongue tied when talking about faith? Feeling like you don't get it yourself?

“I don't get it, Dad!”
 As students grapple with pressing questions about life, how can parents offer meaningful answers from the truth, goodness, and beauty of the Catholic faith? Where do parents build the confidence to do so?

Please join us in praying for the repose of the soul of Marion Taylor, a cherished and long-time parishioner of Our Lady of Mount Carmel. Marion recently celebrated her 100th birthday and felt profoundly grateful for the many birthday cards and warm wishes she received. She dedicated her life to serving our parish community with a generous heart.

Fr. Arpee has been asked to share the Taylor family's heartfelt thanks for the love and support they have received during this time.
