**The Hamilton Catholic Physicians Guild**

Wondering how to live your faith as a medical student, staff physician, or health care professional? This is the big challenge in today's secular society, especially in medicine, where we are confronted regularly with ethical dilemmas in end-of-life care, freedom of conscience and the intersection of the Catholic Faith and clinical health care practice.

The Hamilton Catholic Physicians Guild comprises a welcoming group of physicians and health care professionals, who invite you to join us, attend presentations we host, and participate in discussions pertaining to medical ethical issues, spiritual and social events. In addition, our society offers educational opportunities to attend retreats and conferences which provide a great venue for partnership. Those interested, please contact Dr. Anne Niec ([nieca@mcmaster.ca](mailto:nieca@mcmaster.ca)) or Dr, David Chan ([dchan@mcmaster.ca](mailto:dchan@mcmaster.ca)).
